# PRODUCT BULLETIN

**NEW!**

## Stainless Steel Flexible Conduit

Gibson Stainless has added 1/2", 3/4", and 1" Liquidtight Flexible Metal Conduit to its product line.

Liquidtight flexible conduit provides a flexible and liquidtight means of protecting wiring and cable when making connections to rigid electrical systems.

Gibson Stainless now offers liquidtight flexible conduit in two types: 316 SS Core with PVC Jacket and 316 SS Core with Antimicrobial, Food-Grade PVC Jacket.
